Join the chess Club!

Improve your problem-solving skills, train your memory, think and plan ahead. Learn chess tactics, solve chess puzzles, play competitive and just-for-fun games! Workbooks and other teaching materials are provided, just come ready to learn!

By playing at Chess then, we may learn:

1st, Foresight, which looks a little into futurity, and considers the consequences that may attend an action ... 2nd,

Circumspection, which surveys the whole Chess-board, or scene of action: - the relation of the several

Pieces, and their situations; ...

3rd, Caution, not to make our moves too hastily.
