

# April Newsletter

Yes, Indeed! Spring is in the air ! Spring Time is here! When we think of Spring, we think of a time of renewal, rebirth, and spring cleaning. It's a wonderful time to learn more about Earth Day, a time to Reduce, Reuse and Recycle. As some of you know, last year we got Garden Grant from Whole Kids Foundation. During the month of April, we will start Garden Projects with our students and continue with it till the end of the school year. Also, we will have Culture Week where children can learn more about different countries, cultures, traditions and even try traditional food from different countries.
